

Financial Accounting

Teacher: Prof. Dr. B. Schöndube-Pirchegger

Class Schedule:

Wednesday (L)	11:15 a.m. - 01:45 p.m.	G22A-013
Tuesday (T)	09:15 a.m. - 10:45 a.m.	G22A-020

The tutorial will be given by Tina Bensemann, M.Sc. The first tutorial session will be on April 14, 2009.

Course Description:

The course provides an introduction to financial accounting. Starting with technical aspects of bookkeeping and in particular the double-entry bookkeeping system, fundamental principles of financial accounting are covered. This includes revenue and expense recognition and valuation principles for different balance sheet items.
